tendent of Bertie Academy, reported all money raised and expended for Bertie Academy during the past twelve months.

The Ministerial Council presented the following resolutions

RESOLUTIONS TO PROTECT THE PULPITS.

We, the delegates of the West Roanoke Association, in meeting assembled, in concurrence with the West Roanoke Union, and Ministerial Council, and for the purpose of more effectually protecting our pulpits against unfit men do covenant and agree :

1. That we will be careful to keep out of our pulpits "Tramp preachers," and all persons who cannot establish themselves as worthy of the confidence of the people.

2. That we will not consent and agree to license any man to preach until he has demonstrated his fitness for such honor ; and under all circumstances we pledge ourselves again to follow the plan adopted at a previous meeting and published in our minutes as standing resolutions.

3. That we also agree to exercise more care in ordaining men to preach the gospel, keeping in mind the injunction of the Scripture in this regard to "lay hands suddenly on no man." In order to carry out effectually this resolution, we approve the creation and appointment of an examining board of nine ordained ministers, (so located that three shall be easily accessible to the churches of each county,) and that all applicants for ordination shall appear before this board for examination ; and we agree further to consent to the ordination of no man that fails to secure the approval of this board.

4. That we request and urge our churches to approve of this board and these resolutions at their earliest opportunity in order to strengthen the Association in its efforts to protect the pulpits.

5. That we further agree that any and all our ordained ministry are privileged to sit with and assist this

board in the execution of its high and honorable duties for God and the church.

6. We further urge and agree that in case of evident failure on the part of any man licensed to preach, after a fair and reasonable trial and time, that his license be revoked and declared "null and void." We urge that an examination be made of all persons now holding license throughout our bounds as to their progress in ministerial work, and a report of each be presented at the next annual session of this Association.

REPORT OF COMMITTEE ON GRIEVANCES.

Whereas: Magnolia church received as a member, a person who had been excommunicated from Jerusalem church which action is contrary to Baptist usages and doctrines, we therefore condemn said act in Magnolia church.

We find also that Zion Triumph church is divided into two factions each of which claims the original name (Zion Triumph). After thorough investigation we have decided that the branch that retained the regular organization and built on the new site is the Zion Triumph church. We also denounce the seceeding faction as not being a church or a legally organized Christian body. We also denounce the actions of any minister or pastor of the seceeding branch.
